

Amendments to the articles
27 September 2025

1) Item

- 32.5 A probationary member may only have access to firearms and ammunition if they are personally supervised at all times by a Full member

Has been modified to

- 32.5 A probationary member may only have access to FAC firearms and ammunition if they are personally supervised at all times by a Full member. Probationary members are allowed to use non-FAC firearms on Company ranges designated for their use in the Range Safety and Operating plan without supervision but subject to any restrictions applicable in UK Government legislation and following relevant training and safety briefings

To allow use of the air arms ranges by probationary members without requiring close supervision

2) Item

- 31.3 When an Ordinary member has ceased to be a member under Article 35 below, any Affiliate member may apply to the directors to fill this vacancy and become an Ordinary member but the directors are under no obligation to accept such application

Has been modified to

- 31.3 When an Ordinary member has ceased to be a member under Article 35 below, any Associate member may apply to the directors to fill this vacancy and become an Ordinary member but the directors are under no obligation to accept such application and Associate members without an FAC cannot be considered for such vacancies

To ensure that the aims of the Company as an FAC focused club cannot be diluted over time

Proposer Martin Cooper (137)

Second Martyn Sullivan (882)
